

I am writing to request that you DO NOT allow LPFM stations to take priority over current FM translator service. I listen to K-LOVE on 89.7 on an FM translator. If LPFM stations take priority, we in Monterey and Salinas will no longer be able to listen to this wonderful station, which is one of the few in this area to broadcast good, family-friendly, positive music and programming. If K-LOVE gets displaced by an LPFM broadcaster, who knows what kind of garbage programming will be broadcast, and we certainly do not need any more of that! Losing K-LOVE will be detrimental to the community as there are thousands upon thousands of people who listen to this station to get encouragement to get through sometimes difficult days. The music and programming K-LOVE provides is vital to the needs of our community. Please do not take that away! Thank you.
